

中美电影文化节

中美电影文化节是玫瑰跨文化了解促进会主办的一项主要活动。它有两个主要部分：每年春天,一个由美国电影摄制者,学者和专业媒体工作者组成的代表团访问中国； 同年秋天,中国的学者,影视专家与艺术家访问美国； 我们还在每个东道国举办为期一周的电影文化节： 包括讲座,影展及其它文化活动。

2006年,玫瑰跨文化了解促进会成立一个教师培训班,并出版一本20页的名为“思考和学习中国”的小册子,向维吉尼亚州的公众及高中课堂介绍中国文化。

2007年我们将在美国举行一个从历史和文化角度思考中国的会议。我们同时也在建立保护文化的合作计划,并将这一主题作为今后工作的重点之一。

玫瑰跨文化了解促进会过去和目前在中国的合作者有清华大学新闻传播学院,北京大学生电影节(由北京师范大学组织,其范围涉及中国150所著名大学),美国教育交流中心,在北京的美国大使馆,北京国际学校,中国国际友好联络会和HART艺术中心。

China-America Festival of Film and Culture

The China-America Festival of Film and Culture (CAFFC) is a major event sponsored by The Rose Group that has two components: an American delegation of filmmakers, scholars, and media professionals who visit China in the spring and their Chinese counterparts who visit the United States in the fall. In each host country, a week-long festival is held that consists of a series of lectures, art and photo exhibitions, and film screenings at college campuses or public theaters.

In 2006, a teachers' workshop will be held and a 20-page booklet "Thinking and Learning about China" will be published to introduce Chinese culture to classrooms in the Commonwealth of Virginia and to the general public.

A conference in the United States examining issues about China from the historical and cultural perspectives will be held in 2007. A partnership with entities engaging in cultural preservation is being developed and will be one of the main areas of focus.

Past and current partners in China are Tsinghua University School of Journalism and Communications, Beijing Student Film Festival (organized by Beijing Normal University with outreach to 150 elite universities across China), American Center for Educational Exchange/American Embassy in Beijing, International School of Beijing, China Association for International Friendly Contact, and HART Center of Arts.

Past and current partners in the United States are the American Film Institute, University of Richmond, Virginia Commonwealth University, Virginia Film Office, Virginia Foundation for the Humanities, Virginia Museum of Fine Arts, Greater Richmond Children's Choir, and the Chinese Embassy in Washington, DC.
