

2008 White Paper order form

The *2008 White Paper on American Business in China* synthesizes the collective views of AmCham's member companies and contains suggestions for both the US and Chinese government on how to improve the business climate.

With 41 industry and topic specific chapters, this year's White Paper—AmCham's tenth—is the most comprehensive edition yet. It continues our tradition of presenting the views and insights of our collective membership on trade and commercial issues affecting the US business community in China, as well as our views on the PRC's overall business environment

The *2008 White Paper* reflects the broadest-ever

collaborative effort of our members. Together with other chambers in the region, we represent more than 7,000 members in China.

As a benefit of membership, AmCham-China members receive one copy of this influential document for free. Additional copies can be purchased at a reduced rate. To order copies of the 2008 White Paper, please fill out the form below and fax it to (8610) 8519-1910.
